## SUMMARY

I am a highly skilled and motivated Cannabis professional with over 8 years of industry experience. I have worked in various roles within the industry, including cultivation, dispensary operations, product packaging, and sales. I have a deep understanding of the industry, and I am well-versed in the latest trends and regulations. I possess excellent communication and organizational skills and am passionate about providing exceptional customer service.

## EXPERIENCE

ABC Farms, Lariott, CA  
Cannabis Grower, 2018 - Present

- Develop a comprehensive cultivation plan to maximize efficiency and quality of the product
- Monitor and maintain the crop to ensure proper growing conditions and optimal harvest results
- Work closely with the team to ensure proper safety protocols were followed
- Ensure quality control standards were met during the packaging and distribution process

BVH Dispensary, Fayetteville, GA  
Dispensary Manager, 2016 - 2018

- Oversaw all dispensary operations, including managing inventory, customer service, and employee training
- Developed and implemented policies and procedures for the dispensary
- Maintained a secure and compliant environment within the dispensary
- Trained and supervised a team of budtenders to ensure the highest level of customer service

345 Clinic, Jonesboro, PA  
Product Packager, 2014 - 2016

- Packaged and labeled products in accordance with state regulations
- Ensured quality control standards were met during the packaging and distribution process
- Developed and implemented systems to improve the efficiency of the packaging process

## EDUCATION

Boston University, Boston, MA  
Bachelor of Science in Business Management, 2010
